MINUTES

Council of Academic Deans

Office of Academic Affairs

March 6, 1979, 9:00 a.m.

Dr. Davis called the meeting to order at 9:05 a.m. Deans in attendance were Sutton, Gray, Hourigan, Cravens, Mounce, Hardin, Nelson, Sandefur, Chelf, and Robinson. Dr. Joseph Stokes attended for Dean Russell.

The minutes of the February 20, 1979, meeting were approved as distributed.

Dr. Davis complimented Dean Sandefur on his performance as AACTE president and presiding officer of the National Conference of the American Association of Colleges of Teacher Education, held in Chicago during the past week. Dr. Sandefur reported briefly on the meeting.

Dr. Davis introduced the topic of possible cooperation between Western and Murray in offering academic programs. He suggested that the deans explore this topic with their department heads and expressed the belief that administrators of both institutions see value in the proposed cooperation.

The deans briefly discussed the reported progress toward the selection of the President of the University.

Dr. Sandefur reported on current activities of the state bodies concerned with teacher certification.

Dr. Gray invited the deans to the annual meeting of the Graduate Faculty, to be held March 22.

Dr. Robinson distributed a request from the Department of Commerce for information on University programs. The information is to be compiled for a booklet on Kentucky.

Dr. Chelf reported on discussion in Owensboro concerning the possibility of an education center in the area. The Owensboro business community seems to believe that the educational needs of the area are not being met as fully as they should be. Dr. Chelf urged the deans to consider offering additional programs through the Owensboro Consortium.

The meeting was adjourned at 10:30 a.m.
